Mutual Benefit Opportunity

FULL UBIS PROGRAM

A single programme delivered by UBIS Professors online/ on-ground at the partner's location. This programme can be established with International Partners looking to deliver the UBIS Degree programme by distance.

TOP-UP DEGREE (JOINT DEGREE AWARD)

A Top-Up Degree is equivalent to the final year of a degree. These courses are aimed at students who have previously completed a related foundation level degree (or equivalent, e.g. an HND) and they provide a route for students to achieve a Bachelors degree or Masters Degree.

The background features a warm yellow-to-orange gradient. On the left, a hand in a purple sleeve reaches down. In the center, a large, light-colored hand reaches out. At the bottom, another hand is shown with fingers spread. On the right, there are several thin, curved lines. The main title is in the top right, and two program descriptions are in yellow brushstroke boxes.

Mutual Benefit Opportunity

UBIS CUSTOM/ CERTIFICATE PROGRAM

A short-term programme designed according to a specific budget, time frame, and according to the client's needs. Awards can be issued from both institutions.

DUAL DEGREE

One programme with two awards, consisting of elements from UBIS and elements from the partner institution.

Students are registered at both institutions throughout their studies.

Partner Expectations

To be a recognized organization in the country that can support our operations and partner for a long period of time. Currently, we have partners that have been working with us for 10 years.

To have a record of marketing capacity to recruit students for UBIS programs and to have a local on-ground operations team to support UBIS students locally.

To have a network of professors and academics already in place to support UBIS programs.

To have a long-term mission and vision in order to develop further programs jointly with UBIS and to provide market insights to develop potential new programs demanded in the market.

Your Expectation from us - Our Commitment to You

UBIS is able to develop additional products and services to meet the market needs of specific countries/regions

UBIS's programs are very attractive enabling our students to differentiate themselves on the job market (domestic and International)

Support Services for help outside of the classroom, tailored to the online experience: Online Career Center, Soft Skills Center, and Online Students and Faculty Support.

Advanced Online Program Delivery Platforms: Canvas, Content provided by EBSCO Business Source Premier for Business Database, LIRN High Quality Content & Services.
